Prayer Guide

Network Churches,

As you will notice there are people and churches to pray for each day. However, I want to challenge you to not just go through the motions, but stretch yourself. Ask God what He wants you to pray about, who to send across the street or around the world.

As we embark upon a Church Planting focus in the Network, maybe God is showing you there are young men in your church right now that He wants you to mentor and raise up to be the next church planter you send out. And in the area of Church Health, maybe God is calling you to partner with and pray for a sister church rather than living and serving as though you are in competition with them.

And as always, we greatly appreciate partnership in prayer and your generosity through your giving to the Evelyn Henderson Offering for Spartanburg County Missions. Your gifts help support students in living out their call to summer missions through the work of the BCM. The gifts also enable Japanese men and women to hear the gospel and receive English lessons using Scripture. And finally your gifts go to help support our discipleship efforts and our new and upcoming partnership with Eastern Canada. Thank you for your faithfulness to pray and to give. May the Lord bless you all as you seek his guidance and direction moving forward.

Partnering Together,
Rev. Paul McKee, Director of Missions
